- Provide one-to-one and/or group professional counseling to adults grieving the death or anticipated death of a loved one.
- Maintain timely and complete clinical case files utilizing designated client tracking software.
- Be responsible for entering all client details (demographic data, etc.)
- Attend relevant staff meetings and participate in community meetings, events, and/or trainings.
- Meet agency counseling productivity standards.
- Adhere to agency-wide and department policies and procedures.

What You'll Need (Job Requirements):

- Licensed or registered with the CA BBS – As a licensed MFT, LCSW or LPCC or an Associate AMFT, ACSW or ALPCC
- Bilingual skills helpful, but not required (English and Spanish)
- Demonstrated clinical experience in the areas of life-threatening and chronic illness, grief and loss, individual, family and group counseling
- Knowledge of local medical, mental health, and social service agencies is helpful
- Ability to maintain confidentiality, be discerning with information and use good judgment in handling sensitive information
- Ability to work collaboratively as a team
- Commitment to the internal standard by which we uphold professionalism, further the agency's mission, and work cooperatively and collaboratively as a team

Annual Base Salary Range: \$51,500 - \$84,600
